

# Social Club Deduction

## Join the Union Social Club!

It's the best way to get to know your fellow workmates. The social club regularly hosts functions either during or outside of work hours, such as after-work drinks and events (e.g. bingo, soccer @ Adelaide Oval), fitness activities, Christmas functions, plus a lot more!

For only \$4 a week (or \$8 deducted from your salary) we'll do the organising, you just need to show up and have fun.
